hunger for holy relationships

**POOR in SPIRIT** - wealthy are high brow. poor in spirit. Their brows do not wrinkle in disappointment, but often in amazement. **EYEBROWS**

**THEY WHO MOURN** The holy ones weep because there has been love enough to fill the longing-heart. **EYES**

**THE MEEK** -The proud have their noses turned up. They have a nose for the truth and can smell fakery and are not afraid of pointing it out. The strength of the meek is as plain as the **NOSES** on their faces.

**HUNGER:** The **MOUTH** the hunger for the holy relationships with Jesus. The mouth takes in and breathes out the holiness of Jesus' ways.

**THE MERCIFUL** - Out of the heart, the **TONGUE** speak. We speak compassionately when we are offended. Mercy is more than a feeling. It is the words of forgiveness from the cross over us

**THE PEACEMAKERS** - Jesus spoke of turning the **OTHER CHEEK** when slapped. We talk of taking one on the **CHIN**. The face of holiness looks on violence, disputes, and wars, but not passively. Making peace involves getting involved.

Merciful: speak compassionately
